Dear Mr. Shoshani:

The Farmingdale Flight Standards District Office has reviewed your correspondence dated November 06, 2005 and as stated by the undersigned to you in a telephone conversation dated November 04, 2005, find it necessary to rescind Zip Aviation LLC operations specifications, B057 paragraph authorization to continue air tour operations at this time. Be advised that your current flight operations do not meet pertinent regulatory requirements of Title 14, Code of Federal Regulations, part 136.11© and are not in accordance with the provisions set forth in Advisory Circular 136-1.
